14/06/2006

Pumpkins...

Potatoes..

14/06/2006

Field full of cucumbers...

A photograph of a lush green onion field. The foreground and middle ground are filled with rows of vibrant green onion plants. In the background, there is a prominent embankment of reddish-brown soil. On top of this embankment, several palm trees and other green trees are visible. A small building with a red roof is partially obscured by the trees. A power line runs across the top of the image. The sky is blue with some light clouds.

Luxurious Onion

17/03/2006

Elephant Yam

40 kg bunch, tie up with SAFAL, earned Rs.8.00 lakhs-
120 MT against 75 Mt /ha..
